

## Send for Samples of these NEW Djer-Kiss Products

TODAY, Madame, Mademoiselle!

TODAY, send for this entirely new "paquet de spécimens" which contains SEVEN adorable samples:

Three tints of new wonderful Djer-Kiss ROUGE.

Four tints of new unusual Djer-Kiss Face Powder COMPACTS.

These samples are  
real Scientific Color Tests

They are furnished in form unusual for a purpose unique.

Tiny discs of "velvet felt" are treated with just enough of powder or rouge to enable you to demonstrate the tints which suit you best.

Try these Formulas  
before your own mirror

The "gracefully French" booklet en-

closed gives the advice of experts. Blend the beautiful shades according to the Formulas given.

Then what wonders you learn to accomplish in a few moments!

With a fine discrimination you will learn to use the right tint of Djer-Kiss Rouge with the most desirable tint of Djer-Kiss Face Powder — to amplify the natural beauty of your skin.

With infinite care these combinations have been studied to give you the best for day—the best for evening use.

The Compacts themselves come in handsome gold boxes. In each box is a dainty serviceable wool puff.

TODAY we do urge you to take advantage of this great opportunity!

The COUPON will easily assist you.

ALFRED H. SMITH COMPANY, NEW YORK

# Djer-Kiss

## ROUGE

Although on account of present conditions these Compacts are temporarily blended in America, pure imported essence of Djer-Kiss from France pervades them all.
